**Visiting Loco Weekend 2026**

Our 17th “Visiting Locomotive Rally” will be held on the 8<sup>th</sup> / 10<sup>th</sup> **May, 2026** and we would like to invite you to join us on this occasion.

Below is a Draft of the Program for the weekend.

During the weekend on our extensive 7 ¼” track which is a mile long, it may be possible to have the opportunity to run over the highlander at some point over the weekend. Between now and the event our Permanent Way Team will be carrying out further trackwork.

All loco types are welcome and are not restricted to steam. If you have a Scale Traction Engine these will also be welcome during the private part of the event.

The usual boiler certificates etc. will need to be produced for all those with steam boilers.

## **Catering:**

As has been the practice in the past tea / coffee will be available throughout the weekend, this will be self-serve basis – except during public running when this will be provided by the tea room free of charge.

We don't charge for the weekend or most food and drink, Except Friday & Saturday evening, but donations would be gratefully received.
